

Centro de Eventos "Club Manquehue"

Jueves 19 de Marzo

- 8:00 - 8:20 Entrega de Credenciales.
- 8:30 - 8:45 **Palabras de Bienvenida e Inauguración del Simposio.**
(Dr. Julio Cifuentes F.)
- 8:50 - 9:35 **Which role does Computer - Assistance play in the treatment of Posttraumatic craniomaxillofacial Sequelae.**
(Dr. Gellrich)
- 9:40 - 10:25 **Evolution of primary posttraumatic Reconstructive orbital surgery.**
(Dr. Gellrich)
- 10:30 - 11:00 **Café**
- 11:00 - 11:45 **Conferencia Chile a Definir**
- 11:50 - 12:35 **Importance of individual patient-Specific solutions in craniomaxillo facial reconstruction.**
(Dr. Gellrich)
- 12:40 - 13:10 **Mesa Consultiva (Preguntas)**
- 13:15 - 14:15 **Almuerzo**
- 14:30 - 15:15 **The dilemma and challenge of Secondary posttraumatic orbital Reconstruction.**
(Dr. Gellrich)
- 15:20 - 16:05 **Top down or bottom up? Current concepts and algorithms in Panfacial trauma management**
(Dr. Andreas Neff)
- 16:10 - 16:55 **Current concepts in classification and biomechanics of the condylar process- an update.**
(Dr. Andreas Neff)
- 17:00 - 17:30 **Café**
- 17:35 - 18:20 **An Algorithm for treatment of Mandibular Fractures.**
(Dr. Edward Ellis)
- 18:25 - 19:00 **Preguntas**

Viernes 20 de Marzo

- 8:00 - 8:45 **Endoscopic-assisted transoral open reduction of condylar process fractures.**
(Dr. Gellrich)
- 8:50 - 9:35 **Angle fractures, evolution in treatment**
(Dr. Edward Ellis)
- 9:40 - 10:25 **Conferencia Chile a Definir**
- 10:30 - 11:00 **Café**
- 11:00 - 11:45 **The IBRA consenses update on Condylar fracture treatment at EACMFS Munich 2018, comparison of voting results by faculty and EACMFS congress participants 2018 to the 2014 Marseille consenses conference.**
(Dr. Andreas Neff)
- 11:50 - 12:35 **The evolution of approaches to the Condyle controversies, pitfalls and respective complication rates.**
(Dr. Andreas Neff)
- 12:40 - 13:10 **Open vs closed treatment of Mandibular Condyle fractures.**
(Dr. Edwards Ellis)
- 13:15 - 14:15 **Almuerzo**
- 14:30 - 15:15 **Intraoperative CT scanning**
(Dr. Edward Ellis)
- 15:20 - 16:05 **Treatment of atrophic mandibular Fractures.**
(Dr. Edward Ellis)
- 16:10 - 16:55 **ORIF in condylar head fractures-is it Reliable technique? Lessons learnt From 25 years of ORIF in CHFs.**
(Dr. Andreas Neff)
- 17:00 - 17:30 **Café**
- 17:30 - 18:15 **Mayor fragmented fractures of the condylar process- are they amenable to safe and stable osteosynthesis.**
(Dr. Andreas Neff)
- 18:20 - 19:05 **Conferencia Chile a Definir**
- 19:10 - 19:30 **Preguntas y cierre Simposio.**
